#### Important Dates

**January 20th:** New student enrollment and Financial Aid applications for new families are due.

**March 1:** Enrollment decisions for new families will be announced by this date.

**June 1:** Tuition payments begin for the upcoming school year.

#### Fees & Payments

- Our school year runs from late August to early June.
- A *one-time* **\$700** enrollment fee will be due with the contract. This fee is non-refundable and is not applied to tuition.
- A non-refundable annual **\$500** deposit will be due with the contract. It will be applied to the last payment of your child's 6th year of Elementary.
- Tuition may be paid in full, or in 10 monthly installments that run June 1 - March 1. A **2% tuition reduction** will apply if paying in full before June 1st.

#### Financial Aid & Discounts

- Active Duty U.S. Military or First Responder discount - 5% (Official ID required to obtain a discount.)
- Sibling Discount - 5% for the student with the lower tuition.
- Discounts will be applied as a lump sum to your last installment on March 1st.
- We offer need-based financial aid to multiple qualified families each year. Financial aid applications are re-submitted annually as needed. While we wish we could provide aid to all applicants with demonstrated need, we receive many applications and have limited funds.

#### Important Notes

- New students entering the toddler classes in the fall will transition with staggered start dates over a four-week period to help them acclimate. Tuition is not prorated during this process.
- Children 5 and up will stay until the 3pm dismissal time to take part in the afternoon work cycle.
- Upon acceptance, you will receive a **continuous enrollment** agreement that remains in effect through your child's graduation at Fiore. Your commitment will be automatically renewed each year on January 20th. You may withdraw by sending us your intent in writing before this due date.
- For mid-year start dates, tuition is prorated per current policy in our parent handbook. Students starting in January or later will be committing to the remainder of the current year as well as the following school year.
